est. 1981

## Welcome

Early one October morning in 1981, Steve and Charlie stopped by a local farm and filled the back of a pickup with eggs and potatoes. With that in hand and a menu that read "eggs, homefries and coffee", they opened the doors to the Town & Country. This family business has been serving Bath and the surrounding area with good home-cooked meals at affordable prices. We hope to continue that tradition for years to come.

# A WORD ABOUT OUR INGREDIENTS

Here at Town and Country Restaurant, we are passionate about using fresh, local ingredients grown and produced right here in the Lehigh Valley and partnered with many local farms and families to do so.

**Twin Maple Farms in Bath** to bring you fresh vegetables like potatoes, cabbage, lettuce, broccoli, green beans, and green peppers. Their potatoes are used to make our home fries, mashed potatoes, and our fresh-cut fries.

**Bechdolt's Orchards in Hellertown** is where we get our peaches and apples. We use those apples to make our homemade baked apple slices. We also slice them up to use in our seasonal salads and sandwiches.

Many of our dairy products come from our partners at **Klein Farms & Dairy in Easton**. We use their fresh mozzarella in many of our dishes, like our Grilled Cheese and our Apple Crisp Salad. We also use their ricotta cheese to make a filling for some of our pancake and french toast plates.
